Profession: Performer (actor, singer, interpreter)

Languages: English (native), French (fluent)

PROFILE

Versatile performer with an operatic and theatrical background, shaped by an international stage career. Comfortable in demanding environments—opera, theatre, and camera—I place body awareness, vocal freedom, and presence at the heart of my work. My path is guided by precision, physical commitment, and clarity of intention.

TRAINING

Master's Degree & Artist Diploma – Opera

Advanced training in singing, dramatic interpretation, diction, and stagecraft.

Ongoing training includes: - Somatic and body-awareness practices

- Vocal technique for speech and singing

- Public speaking and performance coaching

-

CORE SKILLS

- Vocal and spoken interpretation
 - Stage and on-camera presence
 - Breath work and physical grounding
 - Rapid adaptation to varied artistic contexts
 - Bilingual performance (EN / FR)
-

TEACHING & COACHING

Alongside my artistic career, I work with artists and voice professionals to develop presence, expressivity, and embodied confidence. An approach rooted in real performance experience, informed by the realities of the stage.

WORKING PHILOSOPHY

Performance is a state of full availability: an engaged body, a free voice, and a clear mind. Every project is an exploration of the relationship between technique and truth.
